Instructions

Please review all the information below. When all sections have been confirmed, click "Submit For Review."

Teaching (Custom Section)

This information is auto-populated from a university data source and pulls the **main instructor of record only** (Fall 2009-present). *Student credit hours will now auto-load starting Spring 2023.* New courses will be uploaded on the 12th day of class each semester. Each course section is editable and faculty members who teach should verify their teaching information is correct. Faculty members can also add their "% Contributed to the Course" as well as a "Descriptive (if applicable)". Faculty members who are co-instructors can now add the courses they co-taught to this section including their percentage of effort in teaching the class. Faculty members can also indicate if a course has "Multidisciplinary Collaboration Activities" by choosing "Yes or No" as appropriate for this column.

If you have any questions, please contact us at faculty180@tamu.edu.

▼ Publications, Conference Proceedings, Patents and Creative Products/Innovations

This section is for Publications, Conference Proceedings, Patents and Creative Products/Innovations. Faculty should review their publication information that was retrieved from Scholars@TAMU (scholars.tamu.edu) and uploaded into Interfolio. **Examples of Publications, Conference Proceedings, Patents and Creative Products/Innovations:** Artistic and Professional Performances, Artistic and Professional Productions, Books, Book Chapters, Case Studies, Conference Proceedings, Exhibitions, Journal Articles, Patent and Intellectual Property, Published Abstracts, Reviews, Technology, and Other Scholarly Work.

NOTE: There is a weekly feed for new items from Scholars@TAMU to Interfolio into this section. If you already have a Scholars@TAMU profile, that data (*e.g., books, book chapters, journal articles, conference proceedings, patents*) will automatically populate here from that account. This data feed is to help save your time and efforts to report your publication data. You will still have the ability to add new scholarly contributions as well as edit any pulled entries. Please be advised that if you manually enter something that will also be entered in Scholars@TAMU, it will appear as a duplicate entry – hence, we recommend checking your Scholars@TAMU profile for new entries first.

▼ Teaching, Research and/or Other Scholarly or Creative Activities, and Service Impact Statement (Faculty Evaluation Review)

Faculty should write an impact statement on their teaching, research and/or other scholarly or creative activities in this section. Other parameters that can be included are h-index, etc.

Teaching, Research and/or Other Scholarly or Creative Activities, and Service Impact Statement	Semester
TRS / Creative Activities Statement	Start Semester

1. Conducting study abroad programs is letting the students truly realize that they are part of an entire world, not just the U.S.. They begin to think globally, and are introduced to other countries' concerns and beliefs. Visiting Europe and Australia/NZ has definitely made the students more aware of protecting our planet.	
2. I teach business finance but I weave into the class enough personal finance to help the students have the skills they need to succeed as an adult and be a contributor to our economy. I always focus on tax laws, what they were and what they are now, so the students can think about what they believe should be in the tax code. I also bring in current events OFTEN that relate to the material of the course.	Spring 2024
3. I believe FMA should serve two goals: 1) to help the students realize all of the amazing paths that a finance major can take for a career, and 2) to enable the students to create a network of college friends so that they can help each other throughout their careers and serve as sounding boards for exciting new ideas, etc...	
I have taught 60,000+ students at Texas A&M University during my 32-year tenure!	Spring 2024
