Teaching (Custom Section)

This information is auto-populated from a university data source and pulls the **main instructor of record only** (Fall 2009-present). *Student credit hours will now auto-load starting Spring 2023.* New courses will be uploaded on the 12th day of class each semester. Each course section is editable and faculty members who teach should verify their teaching information is correct. Faculty members can also add their "% Contributed to the Course" as well as a "Descriptive (if applicable)". Faculty members who are co-instructors can now add the courses they co-taught to this section including their percentage of effort in teaching the class. Faculty members can also indicate if a course has "Multidisciplinary Collaboration Activities" by choosing "Yes or No" as appropriate for this column.

If you have any questions, please contact us at faculty180@tamu.edu.

▼ Publications, Conference Proceedings, Patents and Creative Products/Innovations

This section is for Publications, Conference Proceedings, Patents and Creative Products/Innovations. Faculty should review their publication information that was retrieved from Scholars@TAMU (scholars.tamu.edu) and uploaded into Interfolio. **Examples of Publications, Conference Proceedings, Patents and Creative Products/Innovations:** Artistic and Professional Performances, Artistic and Professional Productions, Books, Book Chapters, Case Studies, Conference Proceedings, Exhibitions, Journal Articles, Patent and Intellectual Property, Published Abstracts, Reviews, Technology, and Other Scholarly Work.

NOTE: There is a weekly feed for new items from Scholars@TAMU to Interfolio into this section. If you already have a Scholars@TAMU profile, that data (*e.g., books, book chapters, journal articles, conference proceedings, patents*) will automatically populate here from that account. This data feed is to help save your time and efforts to report your publication data. You will still have the ability to add new scholarly contributions as well as edit any pulled entries. Please be advised that if you manually enter something that will also be entered in Scholars@TAMU, it will appear as a duplicate entry – hence, we recommend checking your Scholars@TAMU profile for new entries first.

Goals	Semester
Please list what your goals were for the previous year and what your planned goals are for the upcoming year.	Start Semester End Semester
My goals for the previous year were to submit/resubmit my solo working papers. The fintech expansion one is currently RR at RFS, and I completely rewrote the other solo paper on stress test and expect to resubmit soon.	Spring 2023 Ongoing
Upcoming year: continue to work on the RRs. Circulate the two new working papers on specialized lending and submit them.	
My goals for the previous year were to continue to work on the R&R and circulate the two new working papers on specialized lending and submit them. Now I'm close to resubmitting R&Rs. One of the new working papers second round R&R and the other paper is close for submission.	
First, I want to convert the two R&Rs. I'll resubmit during the spring break. The JFE one is already second round, with the editor completely satisfied and the referee mostly satisfied except for expositional comments. Second, I want to submit the working papers. For the information span paper, we would try econ journals first. Third, I would like to finish the first drafts of the work-in-progresses.	Spring 2024 Fall 2024
