Instructions

Please review all the information below. When all sections have been confirmed, click "Submit For Review."

Teaching (Custom Section)

This information is auto-populated from a university data source and pulls the **main instructor of record only** (Fall 2009-present). *Student credit hours will now auto-load starting Spring 2023.* New courses will be uploaded on the 12th day of class each semester. Each course section is editable and faculty members who teach should verify their teaching information is correct. Faculty members can also add their "% Contributed to the Course" as well as a "Descriptive (if applicable)". Faculty members who are co-instructors can now add the courses they co-taught to this section including their percentage of effort in teaching the class. Faculty members can also indicate if a course has "Multidisciplinary Collaboration Activities" by choosing "Yes or No" as appropriate for this column.

If you have any questions, please contact us at faculty180@tamu.edu.

▼ Publications, Conference Proceedings, Patents and Creative Products/Innovations

This section is for Publications, Conference Proceedings, Patents and Creative Products/Innovations. Faculty should review their publication information that was retrieved from Scholars@TAMU (scholars.tamu.edu) and uploaded into Interfolio. **Examples of Publications, Conference Proceedings, Patents and Creative Products/Innovations:** Artistic and Professional Performances, Artistic and Professional Productions, Books, Book Chapters, Case Studies, Conference Proceedings, Exhibitions, Journal Articles, Patent and Intellectual Property, Published Abstracts, Reviews, Technology, and Other Scholarly Work.

NOTE: There is a weekly feed for new items from Scholars@TAMU to Interfolio into this section. If you already have a Scholars@TAMU profile, that data (e.g., books, book chapters, journal articles, conference proceedings, patents) will automatically populate here from that account. This data feed is to help save your time and efforts to report your publication data. You will still have the ability to add new scholarly contributions as well as edit any pulled entries. Please be advised that if you manually enter something that will also be entered in Scholars@TAMU, it will appear as a duplicate entry - hence, we recommend checking your Scholars@TAMU profile for new entries first.

-------	----------

Please list what your goals were for the previous year and what your planned goals are for the upcoming year.	Start Semester	End Semester
Last year I could not have predicted the changes in my administrative duties that were going to come in the Fall of 2024. I am humbled and so excited to help lead new real estate initiatives as well as old ones. Below are some highpoints of progress made on last goals I made last year: 1. I have continued to serve as the Director of the BBA in Finance program and it has grown to 1018 students (47% increase since 2019) 2. Customer service quality for student advising has improved with the addition of new academic advisors (all credit to department of finance and Mays) 3. I get to contribute administratively in new ways through directing undergraduate and graduate programs in real estate. 4. I helped start a new real estate club that has 450 plus students involved. 5. I have been able to attend more industry events this year with the creation of our new real estate board. 6. I have completed continuing education necessary to have an active real estate broker's license in Texas. This year's goals include: 1. Direct Undergraduate Programs in Real Estate: a. BBA in Real Estate Finance in place by Fall of 2026 b. Minor in Real Estate Finance in place by Fall of 2026 c. Continue growing the Aggie Real Estate Club to be one of the largest on campus (over 500 members) 2. Direct Master of Real Estate (MRE) Program if needed: a. Differentiate MRE program from other graduate real estate programs. i. Continue embracing curriculum innovations preparing students for the future real estate industry (rapidly advancing incorporation of Artificial Intelligence (AI), Big Data, ...) 1. Incorporate Artificial Intelligence (AI), new technologies, big data, ... into course work 2. Student class interaction with industry through case studies and actual projects 3. International emphasis by incorporating study abroad class ii. Prepare students for the profession of commercial real estate through: 1. Enhanced industry interactions 2. Soft skill enhancement training b. Offer value proposition for undergraduate real estate majors and minors i. Fast track, 4+1, by allowing credit for certain undergraduate classes ii. PPA Program relationship so PPA students can get an MRE degree 3. Continue to serve as the Director for the BBA in Finance Program a. Help grow the BBA in Finance to be the best public undergraduate program in the United States. i. Foster an environment of excellent customer service for students ii.
